MMS Acquires Medical Innovations

Connecticut

Florida

ST. LOUIS, MISSOURI—July 3, 2007. MMS - A Medical Supply Company, one of the largest independent healthcare distributors, announced today that it has completed its acquisition of Medical Innovations located in Calhoun, Georgia and Raleigh, North Carolina. By adding this company, MMS will now have a major Southeast presence. The acquisition closed on June 29, 2007. Terms of the deal were not disclosed.

Georgia

Guam

Illinois

Indiana

Kansas

MMS President, Gary Reeve, stated, “This addition to the MMS family will give us a strong presence in the Southeast and continue our goal of being the only regional distributor with a national presence.”

Louisiana

Missouri

New Jersey

Medical Innovations is primarily in the long term care market. “MMS plans to expand the business into new areas where we can lend our expertise in Acute Care, Hospice and Home Care,” says Tom Harris, Executive Vice President of MMS.

New York

North Carolina

Texas

The newly named MMS Medical Innovations will operate under the continued leadership of Michael Wofford. “We are very excited about the acquisition, it is a great fit and opportunity for our company to grow together with MMS in markets we currently serve,” states Mr. Wofford.

About Medical Innovations

Michael and his wife, Laura Wofford, began their business as a long term care distributor in 1987. Medical Innovations, formerly Action Medical Supplies, was acquired as a small home care and nursing home supply company. Michael shifted the emphasis of the company to the nursing home market. From its base in Georgia, the Woffords expanded the company's service area to include northeast Alabama, then Tennessee. In 1999, they seized an opportunity to open a location in Raleigh, NC. From there, Medical Innovations services customers in North Carolina, South Carolina and parts of Virginia and Florida. Medical Innovations located in Calhoun, GA specializes in nursing home, home care and physician supplies. For more information visit: www.medicalinnovationsonline.com.
