

We Bring Value to the Table!

At MMS, we take pride in our mission to effectively serve all the specialized and diverse needs of the medical community, while conducting ourselves with **Honesty** and **Integrity**. Not only do we offer quality products and excellent service, we bring **Value** to the table.

A Regional Distributor with a National Presence - Although MMS has a national presence with thirteen strategically-located distribution centers, we maintain close contact with our customers giving us the ability to be flexible and respond quickly.

Breadth of Products - With 12 distinct divisions covering the entire healthcare spectrum, MMS offers a variety of products from over 1,000 manufacturers.

Inventory Management Systems - MMS can customize inventory systems to meet your needs. Examples include use of your internal stocking numbers to place orders and a variety of options for low unit of measure programs.

High Fill Rate and Accuracy - With a fill rate of 98% when proper usage is submitted for stocking items and a 99.5% picking accuracy, MMS is the perfect choice for your materials management partner.

Experienced and Dedicated Customer Service Teams - Our customer service teams are dedicated and experienced in their respective markets providing the highest quality of service.

Sales Rep Longevity - Our sales force is a group of seasoned representatives with an average of 20 years in medical sales. Our team is made up of experts in their related fields who adhere to a consultative approach to selling where they are able to develop customer solutions.
