

# MMS - A Medical Supply Company

## *Introduces the*

# Quick Order Form

*sponsored by Medprocure*

This online *Quick Order Form* is designed to be more user friendly that will allow for **QUICKER**, **EASIER** and more **ACCURATE** ordering of MMS products.

By setting up a customized list of products specific to your ordering needs, the *Quick Order Form* allows you to have more inventory control in not just one but multiple office locations!

### *Quick Order Form & Quick Scan*

#### ADVANTAGES

- Customize forms to your product list
- Web based order form
- Orders are transmitted electronically
- Editing orders is now FAST and EASY
- Order history retention
- Management approval capability

### **NEW!**

## **QuickScan**

With bar code scanning capabilities your next supply order is just one scan away. The *QuickScan* has specific bar codes for each product on your customized list, allowing the user to quickly scan the desired supplies for easy and accurate order placement every time!

*Now take ordering  
even one step further.*
